Our commitment to providing high quality education service is unmatched. We offer a professional platform to students & professionals seeking opportunities in Universities and Colleges abroad.

Management Structure:

Marketing Strategy:

Direct Focused marketing, focused marketing and targeting the specific audience we cater to. It is far more important to have a personal more focused approach to market the product offered and to the right people. Allocating customers according to the product and focusing on maintaining the market support.

Public Relations:

To be featured in credible forums to announce the new features and achievements. Take leadership position in the career space by contributing articles/ information in the leading publications.

Advertising:

Premium positions in the education/ business/ media publication, conveying rational reasons to explore the option of International education & facilitating the support systems available through well-established recruitment centers. Regular editorial support in popular publications across North India.

Presentations:

Promotions in college's campus build mind share with the future workforce. Presenting the new opportunities offered to them and building a whole new world for them. Working Ties with the Colleges to have education events conducted regularly in college premises. Inviting our Institutes to give presentations in well-known Schools, Colleges & Universities to create direct awareness on the opportunities available to the students in North India.

Workshops:

To conduct regular workshops for intellect sharing concept. The workshops are conducted in association with Indian Universities & Universities we represent to have faced two face open room discussions.

Our Services:

Career Counselling:

At GM Immigration Consultants (GMIC), we believe in understating and assessing your personal requirement hence provides students with one session and guide accordingly. Keeping in view your individual profile and the professional market scenario, we guide and assist you to make the best career choice. Choosing the right course in the right university and colleges we provide in-depth information on courses and institutes available based on your academic, Work background, and provide personal guidance to help you in choosing the right course in the University and colleges according to your profile, financial constraints, future aspirations and Interest.

Travel Assistance:

We also assist students with the of booking flights well in advance to allow ideal departure dates, routes and discounts. Our strategic tie-ups with Airlines and Travel consultants allow us to offer our students best possible rates as well.

Admission Guidance:

We guide and assist students with complete admission process on one to one basis. Our senior counselors personally assist students in filing up admission forms and we give special attention to your application, highlighting the areas essential for a well-presented application, also assisting with references and the statement of purpose. Since our counselors have strong experience in this, they are able to Pre-assess and Pre-qualify your application to the desired course and institute whereby making your application process shorter and faster. Our regular follow-ups with the Universities and colleges result in positive and quick response. Since our counselors have strong experience in this, they are able to pre-assess and pre-qualify your application to the desired course and institute whereby making your application process shorter and faster. Accommodation Assistance:

Our counsellors guide and assist students with different types of accommodation, which fit into your needs and budget.

Visa Assistance:

We assist our students in the entire processing right from filling up application forms, assistance in preparing financial and other relevant documents, providing guidance and conducting mock interviews. We are in touch with the VFS & AHC on a regular basis and are informed about the latest rules and changes in visa documents which results in our extremely high visa success rate.

Pre Departure Briefings:

GM Immigration Consultants (GMIC)) Organizes pre-departure programs /get together for its students. We feel this is one of the most important sessions in the whole process. We get the opportunity to share with students about their new destination, new culture they are going to face, about the institute they are enrolling for and also making them aware of Do's and Don'ts while they settle themselves in totally a new environment. This not only allows them to get more confidence but also adjust better in the institute and hence has better performance in the programs of study. This also gives them an opportunity to meet other students enrolled for same institute and Country.

*We provide wings to fly
Live and Let Live.*
